# "IT'S BACK"

## March 14-16, 2008

## Our Mission

The Mission of The Chicago Classic is to promote and primarily showcase West Coast Swing. Our event is designed to be equally appealing to the social dancer as well as top level competitors from all over the country. We offer a variety of competitions and will promote and support specialty divisions that provide competitive opportunities for dancers of all levels and ages, including junior dancers (ages 8-17).

## Chicago Swing Dance Foundation

The Chicago Swing Dance Foundation was founded in 2006 by Jim Becker and Nancy N. Tuzzolino, Co-Directors of The Chicago Classic. Our Mission for the CSDF is to:

- Raise the visibility and awareness of swing dancing, particularly West Coast Swing in the Chicagoland area.
- Elevate and improve the level of West Coast Swing dancing in the Midwest Region.
- Support swing dance education and provide performance opportunities for juniors ages 8-17, in the Chicagoland area.
- Support amateur competitors from the Midwest area who have ambitions to compete on the national swing dance circuit.

## The Chicago Classic Youth Scholarship Fund

The CSDF will award two scholarships annually to two deserving young dancers in the Chicagoland area (one boy, one girl—ages 8-17). The amount of the scholarships will be based on donations collected through our Lottery ticket sales, private donations and contributions made personally by the CSDF. More information about the scholarship program (including application and donation information) can be found on our website: [www.TheChicagoClassic.com](http://www.TheChicagoClassic.com).
